

Welcome to the U25 Orientation Center!
Our Goals and programme

Our Goal

Together, we will identify your strengths, explore new career opportunities and support you on your way into vocational training or employment. Step by step, at your own pace!

Career Support

- Practical job application training
- Exploring career development opportunities
- Career guidance and vocational orientation
- Developing strategies to present your skills and strengths
- Establishing contacts with companies and employers
- Support in finding an internship placement
- How to use job search platforms
- Mobility training
- Computer skills training and much more

Throughout the programme, you will be supported by an experienced team of educational specialists, trainers, social workers, coaches and, where needed, subject experts.

Personal Support

- Health and well-being activities, such as nutrition advice, yoga and self-management
- Developing everyday life skills, such as household management, daily planning, budgeting and understanding insurance
- Cooking together
- Creative projects, such as sewing, upcycling, and making cleaning products and cosmetics

Your Benefits

- A dedicated contact person throughout the programme
- Individual support based on your previous knowledge and experience
- Excellent opportunities to secure an internship or permanent employment with social insurance
- Discover new career opportunities through personalised guidance
- Learning effective study techniques and developing essential digital and practical skills
